Rhine in Flames® 5th of May 2018

Offer for individual travelers

Celebrate with us Rhine in Flames® and experience the traditional firework event on one of the most beautiful sections of the Rhine between the cities of Linz and Bonn. Participate in the extraordinary experience on board of one of the 50 illuminated riverboats, when five brilliant aerial fireworks and over 600 red Bengalese fires bathe the waterfront and sights in a solemn light. Watch mountains and castles getting illuminated by the magical light of the fireworks.

Cruise along the Rhine when the guests who visit the cities of Linz, Remagen, Unkel, Bad Honnef, Königswinter and Bonn with their colorful musical supporting program, welcome the passing passenger liners. At the close of the evening, enjoy the big firework in the Bonner Rheinaue, accompanied by the stunning sounds of the synchronized music played.
