

BTHVN Music Picnics – A Triad

We celebrate “Beethoven in Nature“ - 6 castles, 6 municipalities, 6 dates

In 2020 we are going to celebrate the 250th anniversary of Ludwig van Beethoven’s birth. For this special occasion, not only his home town Bonn is joining in but also the surrounding municipalities: In line with the “BTHVN Music Picnic” festival, there are going to be 6 exceptional venues in 6 beautiful castles in the hinterland of Bonn. A outdoors combination of classical music, a special ambience and good food. Celebrate with us!

Join us and spent some quality times with your family and friends while listening to the music of Europe’s most famous composer. The six events interpret six different aspects of Ludwig van Beethoven’s life. You are going to experience a unique triad – Beethoven: The Individual, Nature, and Love - created by our musical director Prof. Christian Brunnert.

A diverse lineup with many exciting surprises, modern and classical music, performances to entertain and to reflect, many kids and lots of musicians is waiting for you. Join us in this unique celebration of Beethoven and his timeless musical art.
